AGREEMENT

between

THE VAUGHAN PUBLIC LIBRARY BOARD
(the "Board")

- and -

THE CANADIAN UNION OF PUBLIC EMPLOYEES
AND ITS LOCAL 905.18
(the "Union")

PART-TIME EMPLOYEES
(Permanent Part-Time and Casual)

ARTICLE I - RECOGNITION

- 1.01 The Board recognizes the Union as the sole and exclusive Bargaining Agent with respect to all matters covered by this Agreement for all Employees of the Board in the City of Vaughan regularly employed for not more than ninety-six (96) hours over a 4-week period, save and except Security Guards, Technology Support Specialists, Technology Support Analysts, Staff Engagement Specialists, Business Improvement Specialists, Managers and persons above the rank of Managers, Executive Assistants, Staff Engagement Assistants, Corporate Services Assistants, students employed during the school vacation period, and Employees covered by a subsisting Collective Agreement.
- 1.02 Notwithstanding anything to the contrary in this Agreement, those Employee classifications herein excluded from the bargaining unit may continue to perform work, in accordance with past practices and procedures established prior to ratification of this Agreement, normally performed by members of the bargaining unit without being considered to be included in the bargaining unit on the understanding that this will not result in the reduction of established hours of persons in the bargaining unit.
- 1.03 Visiting library services workers, community service workers, students gaining work experience and contract Employees will not, as non-bargaining unit persons, perform tasks which would result in the reduction of established hours of persons in the bargaining unit.

ARTICLE II - RELATIONSHIP

- 2.01 The Board and the Union agree that every Employee has a right to work in an environment free from harassment. No Employee may be harassed in the workplace because of any protected grounds under the Ontario Human Rights Code, membership or non-membership in the Union or activity or lack of activity in the Union.
- 2.02 The Union further agrees that there will be no solicitation for membership, collection of dues, or other Union activities on the premises of the Board, except as specifically permitted by this Agreement.

2.03 **Interviewing Opportunity**

A representative of the Union shall be given an opportunity to interview each new Employee during their regular working hours, without loss of pay, for a maximum of thirty (30) minutes during the first month of employment for the purposes of acquainting the Employee with the benefits and duties of Union membership and their responsibilities and obligations to the Employer and the Union. Management will provide the new Employee with a copy of the current Collective Agreement.

2.04 **Labour Management Committee**

A Labour - Management Committee shall consist of two (2) representatives of the Union and two (2) representatives for the Board. Furthermore, the C.U.P.E. Local 905 National Representative is an ex officio Committee member. The Committee shall enjoy the full support of both parties in the interests of improved service to the public and shall meet to discuss matters of mutual concern to the parties.

The purpose of the Labour/Management Committee shall be, in general terms, to:

(i) examine and consider means by which Board services can be improved and expanded; and (ii) constructively examine means of improving Employee/Board relations.

The Labour/Management Committee shall be advisory and consultative only. The Labour/Management Committee shall not be utilized to discuss grievances under the Collective Agreement.

The Committee shall meet as required at a mutually agreeable time and place. Its members shall receive a notice and an agenda of the meeting at least 48 hours in advance of the meeting. No Employee acting as a Union Committee representative will lose pay for time spent at Committee meetings if same meetings are held during their scheduled normal hours of work, or a portion thereof.

A Board and a Union representative shall be designated as chairpersons and shall rotate every six (6) months in presiding over meetings.

2.05 **Mergers & Amalgamations and Integration of Service**

The Union and the Employer agree that in the case of a merger of services, or the integration of the Library into the City, the Employer agrees to meet with the local Union with no less than ninety (90) days of any action to be taken as soon as they are made aware of the pending plan and will offer the Union disclosure of the information as required.

2.06 **Job Security**

The Board will commit to make every possible effort during the term of this Agreement to maintain the existing staff complement. If, in the Board's view, work force reductions may become necessary, the Board will request the assistance of the Union to explore alternative means of meeting the Board's needs prior to any implementation.

Employees shall be laid off in reverse order of their seniority provided that those Employees who remain have the qualifications and ability to do the jobs remaining. The Board will guarantee that seventy-five percent (75%) of those Employees who were permanent full-time at the start date of this Collective Agreement will be provided with full-time employment during the term of this Agreement. This does not guarantee that Employees will retain the positions which they occupied at the start of this Agreement or at the time a layoff occurs.

ARTICLE III – MANAGEMENT RIGHTS

- 3.01 The Union acknowledges that it is exclusively the function of the Board to:
- a) maintain order, discipline and efficiency;
 - b) hire, discharge, direct, classify, transfer, promote, demote, layoff, and suspend or otherwise discipline Employees for just cause, subject to the provisions of this Agreement, provided that a claim of discriminatory promotion, demotion or layoff or that an Employee has been suspended or discharged without just cause may be treated as a grievance as provided under the Grievance Procedure except that the discharge of a probationary Employee will not be subject to the grievance and arbitration procedures unless they are discharged for reasons that are arbitrary, discriminatory or in bad faith;
 - c) maintain and enforce rules and regulations governing the conduct of the Employees; and
 - d) generally to manage and operate Vaughan Public Libraries in all respects in accordance with its commitments, obligations and responsibilities to the public and, without restricting the generality of the foregoing, to determine the number of personnel required from time to time, the standards of performance for all Employees, the methods, procedures, machinery and equipment to be used, schedules of work and all other matters concerning the Board operation, not otherwise specifically dealt with elsewhere in the Agreement.
- 3.02 The Board agrees that these rights shall only be exercised in a manner consistent with the provisions of this Agreement.

ARTICLE IV - UNION SECURITY

- 4.01 The Board agrees to deduct regularly monthly Union dues in the amount to be advised by the Union. The Union shall notify the Board in writing of the exact amounts to be deducted from the first pay due each calendar month from Employees covered by this Agreement. The Board agrees to remit same (assuming sufficient pay is available) to the Treasurer of the Union not later than the twentieth (20th) day of the same month. A list of additions, deletions and changes will also be supplied. The Board will be notified in writing of any changes in the amount of the regular monthly Union dues at least thirty (30) days in advance of the effective date of the change.
- 4.02 In consideration of the deducting and forwarding of Union dues in accordance with the foregoing by the Board, the Union agrees to indemnify and save the Board harmless against any claim or liability arising out of or resulting from the operation of this section.
- 4.03 The total amount of Union dues deducted shall be included on the T-4 slips.

- 4.04 An Employee shall have the right to review their employment record file in the presence of the Chief Executive Officer or their designate.

ARTICLE V - UNION REPRESENTATION

- 5.01 In order to provide an orderly procedure for the settling of grievances, the Board acknowledges the right of the Union to appoint or elect Stewards from amongst the Employees covered by this Agreement who have completed their probationary period, whose duties shall be to assist Employees in preparing and presenting grievances in accordance with the Grievance Procedure.
- 5.02 The Union shall notify the Board in writing of the name of each Steward before the Board shall be required to recognize the Steward.
- 5.03 It is agreed that a maximum of two (2) Stewards shall constitute the Union Grievance Committee, as so recognized in accordance with the Grievance Procedure.
- 5.04 It is understood and agreed that the Steward has their regular work to perform on behalf of the Board. However, should they be required to assist an Employee in preparing or presenting a grievance or attending disciplinary and investigation meetings during their regular working hours, the Employee shall not leave their work without first obtaining the permission of their Manager, or the Manager's designate in the event of the Manager's absence from the work location, and such request shall not be unreasonably denied. When resuming regular duties, the Employee shall again report to their Manager, or the Manager's designate in the event of the Manager's absence from the work location. Reasonable time spent by a Steward assisting an Employee in presenting a grievance shall be without loss of regular pay.

Where an Employer representative intends to meet with an Employee, the Employee shall be advised of their right to have Union Representation present.

- 5.05 The Board agrees to recognize up to three (3) Employees plus one (1) alternate to serve on a Union negotiating committee to negotiate the renewal of this Agreement. Employee committee members shall not suffer any loss of pay, seniority or benefits for normal hours of work spent at scheduled negotiating sessions with representatives of the Board.
- 5.06 Where an Employee is elected or appointed to a full-time or part-time office within CUPE Local 905, the Employer may consider a request for an extended leave of absence for such Employee, and the Employer may grant such leave of absence, and such request shall not be unreasonably denied. The Employer shall pay the Employee's wages and benefits and may be required to top up the salary/grade/level to that which is assigned by the 905 Executive Board, however it is agreed and understood by the parties that the Employer shall invoice the Union and the Union shall forthwith provide full reimbursement to the Employer.

Such leave will be granted without loss of seniority. The Employee shall retain their seniority acquired at the date of leaving the Unit but shall not accumulate any further seniority for the duration of the leave.

Upon thirty (30) days written notice, the Employee shall be returned to their former position, or to a position comparable to that in which they were employed before taking office, or to such other position as may be determined by the Employer, the Employee, and the Union as being suitable

5.07 Whenever an Employee is on leave of absence requested under Article 5.06 the Employer shall pay the Employee's wages and benefits, invoice CUPE Local 905, and the Local shall forthwith provide full reimbursement. It is agreed this is not applicable to days which are paid for by the Employer as per other articles in the Collective Agreement.

a) **Leave for Federal/Provincial Union Office**

An Employee who is elected or appointed to office in the Canadian Union of Public Employees, whether National or Provincial, the duties of which require their full-time attendance, may and shall not be unreasonably denied, upon written request, be granted leave of absence without loss of seniority and service for a term not exceeding two (2) years, except whereby the parties agree in writing to extend such leave requests.

b) **Leave for Federal/Provincial Union Employment**

An Employee who becomes a paid Employee of the Canadian Union of Public Employees, whether National or Provincial, may, upon written request, be granted leave of absence without loss of seniority and service for a period not exceeding six (6) months. Such leave, if requested, may be extended up to a period of two (2) years and shall not be unreasonably denied.

c) **Leave for Federal/Provincial Union Office/Employment**

Such leave of absence shall be without pay, but benefits will be continued by the Employer, and the Union shall reimburse the Employer for the cost of maintaining such Employee's benefits during the said leave of absence. The Employer may be requested by the Union to pay the Employee's wages and benefits, invoice the Union and the Union shall forthwith provide full reimbursement to the Employer.

Such leave will be granted without loss of seniority. The Employee shall retain their seniority acquired at the date of leaving the Unit but shall not accumulate any further seniority for the duration of the leave.

ARTICLE VI - NO STRIKE OR LOCKOUT

6.01 The Union agrees that during the term of this Agreement there shall be no strikes. The Board agrees that there shall be no lockouts during the term of this Agreement.

ARTICLE VII - GRIEVANCE PROCEDURE

7.01 It is the mutual desire of the parties hereto that complaints of Employees shall be adjusted as quickly as possible. It is understood that an Employee has no grievance until they have first given their Manager an opportunity to address their complaints. If an Employee has a complaint, they shall discuss it verbally with their Manager no later than their fifth (5th) working day after the day on which the circumstances giving rise to the complaint originated or occurred.

7.02 Failing settlement within the above-referred to five (5) working days, it may then be taken up as a grievance no later than their seventh (7th) working day, following advice of the Manager's decision, in the following manner and sequence:

Step No. 1

The Employee may request the assistance of a Steward to present the Employee's grievance to the Manager. The grievance shall be in writing/email (C.A.I.S) and shall indicate the article(s) of the Collective Agreement that is being grieved and why it is being grieved and shall specify the remedy sought. The Manager shall deliver a decision in writing/email no later than the fifth (5th) working day following the presentation of the grievance.

Step No. 2

Failing a settlement, the Employee and the Union Grievance Committee may present the grievance in writing/email (C.A.I.S) to the Chief Executive Officer or designate no later than the Employee's seventh (7th) working day after the decision is given above. A meeting will be held no later than the seventh (7th) following working day between the Chief Executive Officer or designate and the Employee and the Union Grievance Committee. A Staff Representative of the Union shall be present at the request of either Party. Failing settlement, the decision of the Chief Executive Officer or designate shall be delivered to the Union in writing/email no later than the fifth (5th) following working day.

Step No. 3

Failing settlement and if the grievance is to proceed to arbitration, such grievance shall be submitted to arbitration within fourteen (14) working days from receipt of the written/email decision under Step No. 2. Replies to grievances stating reasons shall be in writing/email at all stages.

7.03 The Union or the Board may file, in writing, a policy grievance with the other party on any difference between the parties and such grievance shall commence at Step No. 2 of the Grievance Procedure and the time limits set out with respect to that Step shall appropriately apply. It is further agreed that the Union may act on behalf of an Employee who is unable to file a proper grievance initiating the grievance at the appropriate Step. It is understood, however, that a Policy Grievance may not be used with respect to a grievance directly affecting an Employee or Employees and that the regular Grievance Procedure shall not be thereby bypassed.

7.04 When an Employee is formally disciplined, a Steward, shall be present, unless the Employee declines Union Representation. If an Employee declines Union Representation the Employer shall have the Employee sign a waiver and a copy of such waiver shall be sent to the Union.

- 7.05 The grievor shall have the right to be present at all meetings of the Parties held to resolve or discuss the grievance.
- 7.06 It is agreed and understood that all time limits in the Grievance Procedure shall be adhered to except where they are extended by mutual agreement. Section 44(6) of the *Labour Relations Act* shall apply where applicable.
- 7.07 It is agreed that the discharge grievance of an Employee who has completed their probationary period shall commence at Step No. 2 of the Grievance Procedure no later than the seventh (7th) working day after the discharge and the time limits set out with respect to that Step shall appropriately apply. The discharge of a probationary Employee will not be subject to the Grievance and Arbitration Procedures, unless the probationary employee is released for reasons which are arbitrary, discriminatory or in bad faith.

7.08 **Removal of Discipline**

Where the record of an Employee has been clear of disciplinary notations for any twenty-four (24) month period of employment, the Employee may request the removal of any written warnings, reprimands or record or disciplinary actions, previous to that twenty-four (24) month period (except relating to misuse of drugs or illegal activities related to employment).

Regardless, the record of any disciplinary action or warning shall not be referred to or used against an Employee at any time after twenty-four (24) months following such action, provided no other related disciplinary action has been taken against that Employee within those twenty-four (24) months.

The Employer agrees to remove all instances of non-disciplinary notations, such as coaching letters, letters of counsel, letters of expectations or any other type of letter created with the same intent, from an Employee's file twenty-four (24) months after the issuance of such notation.

ARTICLE VIII - ARBITRATION

- 8.01 When either party requests that any matter be submitted to arbitration as hereinbefore provided, it shall make such request in writing, addressed to the other party to this Agreement.
- 8.02 Within fifteen (15) working days thereafter, the selection of an Arbitrator shall be initiated.
- 8.03 At any time after either party has requested Arbitration, either party may provide the other party with a written request to have the matter heard by a Mediator agreed to by both parties, in an attempt to find a resolution before proceeding to Arbitration under this provision. The opposing party shall provide a written response to the request within fifteen (15) working days of receipt. If the parties do not agree to a Mediator, or if the matter is not settled at Mediation, any party may advise the other in writing that it will be proceeding to Arbitration.
- 8.04 No matter may be submitted to arbitration which has not been carried through all requisite steps of the Grievance procedure.

- 8.05 The Mediator / Arbitrator shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement.
- 8.06 The proceedings of the Arbitration will be expedited by the parties hereto and the decision of the Arbitrator will be final and binding upon the parties hereto and the Employee or Employees concerned.
- 8.07 Each of the parties hereto will jointly bear the fees and expenses of the Mediator and/or Arbitrator. Each of the parties hereto will bear the fee and expenses of the nominee appointed by them.
- 8.08 The time limits fixed in both the Grievance and Arbitration Procedures may be extended by consent of the parties of this Agreement.
- 8.09 A grievor or any Employee with a legally vested interest shall not lose any pay for regular time spent at an Arbitration Hearing. Necessary witnesses shall not lose any pay for the day(s) of testimony.

ARTICLE IX - SENIORITY

- 9.01 Seniority, as referred to in this Agreement, shall mean length of continuous service based on the number of hours paid to Employees who are in the bargaining unit and shall include service with the Board, which would have fallen within the bargaining unit description of the parties' Recognition Clause, prior to the certification of the Union. Effective April 1, 2001, all permanent part-time Employees shall accumulate a minimum of twenty-four (24) hours seniority for each calendar week they remain in the employ of the Employer, provided any such Employee performs work for any hours in that week.

Seniority shall be used in determining preference or priority for promotion, transfer, demotion, layoff, permanent reduction of the work force, and recall, as set out in other provisions of this Agreement. Seniority shall operate on a bargaining unit wide basis in accordance with Article 9.03.

- 9.02 A permanent part-time Employee will be considered a probationary Employee for the first five hundred and seventy-six (576) hours worked of their employment and will have no seniority rights during this period nor shall their name be placed on the seniority list. During this period, the Employee may be terminated at the Board's sole discretion without recourse to the Grievance and Arbitration Procedure, unless they are released for reasons which are arbitrary, discriminatory or in bad faith. After five hundred and seventy-six (576) hours worked, the Employee's name shall be placed on the appropriate seniority list dating from their date of hire.

A casual Employee will be considered a probationary Employee for the first four hundred and fifty-six (456) hours worked of their employment and will have no seniority rights during this period, nor shall their name be placed on the seniority list. During this period, the Employee may be terminated at the Board's sole discretion without recourse to the Grievance and Arbitration Procedure unless they are released for reasons which are arbitrary, discriminatory or in bad faith. After four hundred and fifty-six (456) hours worked, the Employee's name shall be placed on the appropriate seniority list dating from their

date of hire.

- 9.03 For all purposes of seniority, there shall be two (2) separate and distinct seniority lists. There shall be one seniority list for permanent part-time Employees and one seniority list for casual Employees. Seniority lists will be posted in all locations twice a year, in January and July, and a copy mailed and/or emailed to the Union Chairperson and Local 905 at reception@cupe905.com at the same time.
- 9.04 An Employee will lose their seniority, and their employment shall be deemed to be terminated if they:
- a) quit their employment;
 - b) are discharged and not reinstated;
 - c) fail to return to work within seven (7) calendar days after written notification has been sent by mail advising of the Employee's recall from layoff. It is the Employee's responsibility to inform the Board in writing of any change of address or telephone number;
 - d) fail to return to work upon the termination of an authorized leave of absence unless an explanation satisfactory to the Board is given by the Employee; or utilizes a leave of absence for purposes other than those for which the leave of absence was granted;
 - e) is absent from work without permission for three (3) consecutive working days unless an explanation satisfactory to the Board is given by the Employee;
 - f) is laid off for a period of more than twelve (12) months without being recalled;
 - g) is absent from work because of sickness for more than twenty-four (24) consecutive months.

ARTICLE X - PROMOTION AND STAFF CHANGES

- 10.01 When a vacancy occurs or a new position is created within the part-time bargaining unit, the Board shall email all Employees and post on the Employer's StaffNet system a notice stating the nature of the position, the educational and experience qualifications required, the salary rate or range, and the cut-off date for application. Internal job postings shall be open for seven (7) days.

In selecting an applicant to fill the vacancy, the Board shall consider the applicant's overall qualifications and seniority. After the interview process has been completed, and where two (2) or more applicants equally satisfy the aforementioned criteria, seniority shall govern.

The Employer shall inform all selected applicants of the components of the interview process.

Interview scores shall be kept on file for a period of five (5) months and will not be re-interviewed for a position of the same job title within that five (5) month period.

Upon request of the candidate the Board shall share the assessment results including pass/fail status of the interview.

Staff Engagement will meet with the interviewed applicant(s) to review the outcome of any interview if unsuccessful, within eight (8) weeks of the Employee receiving the notification, and if requested by the Employee.

All applications for internal postings must be submitted in writing to the Recruitment Office cited on the posting, by the specified date. A current resume and a covering letter are required, indicating the posting referral number and position applied for. Submissions received after the closing of the posting or incomplete submissions will not be considered.

Where there are no successful applicants from within this bargaining unit for vacant positions referred to in this article, Employees from the other CUPE bargaining units at Vaughan Public Library Board will be selected in accordance with the criteria for selection above, prior to considering persons who are not members of the CUPE bargaining units. The Employees eligible for consideration shall be limited to those Employees who have applied for the position in accordance with this article.

If there are no successful internal applicants, probationary Employees may apply and shall be considered prior to external applicants.

10.02 A successful applicant may not bid for another job for at least five (5) months from the time of their appointment to the first job, except as follows:

- i) The job change would constitute a change from “temporary” to “permanent”;
- ii) The Employer agrees that having the applicant accept assignment to the position would be mutually beneficial;
- iii) The job constitutes a permanent promotion in grade.

Employees will be limited to one (1) lateral transfer in a six (6) month period.

10.03 The successful internal applicant shall be notified within four (4) weeks following the end of the posting period and shall be placed on trial for a period of eighty (80) days worked in their new position. Conditional on satisfactory service, such trial shall be confirmed permanent after the period of eighty (80) days worked. In the event the successful applicant proves unsatisfactory in the position during the aforementioned trial period, they shall be returned to their former position without loss of seniority and at their former salary rate. Any other Employee promoted or transferred because of the rearrangement of positions shall also be returned to their former position without loss of seniority and at their former salary rate.

10.04 The successful applicant may elect within the first forty (40) days worked in their new position to return to their former classification with the concurrence of their Manager if the Employee determines they are unable to perform the duties of the new position. No reasonable request will be refused.

ARTICLE XI - LAYOFF AND RECALL

11.01 In the event there is a layoff of Employees, the following procedure shall apply:

- a. Probationary Employees will be laid off first;
- b. Employees will be laid off on the basis that the Employee having the least seniority shall be the first to be laid off providing the remaining Employees have the necessary skill and ability to maintain the output and quality required to perform the work in question based on the job description of the position being filled.

- c. An Employee in receipt of notice of layoff pursuant to Article XI may:
 - i) accept the layoff; or
 - ii) displace another Employee as per Articles 11.05 and 11.06 of this Agreement;
 - iii) opt to retire, if eligible under the terms of the OMERS pension plan.

11.02 No new Employee will be hired to perform work that an Employee on layoff is capable of performing.

11.03 The Bargaining Units are separately certified, therefore there will be no intermingling of seniority, and layoffs and recalls will occur independently. Casual Employees will not be placed on a seniority list, for layoff and recall purposes, and this clarification shall not apply to them. It is agreed and understood that casual Employees will be laid off prior to any part-time or full-time bargaining unit member receiving a layoff notice. Notwithstanding this, it is understood that the Employer shall consider the seniority and preferred work location for casual Employees when opportunities for future work become available.

11.04 Bumping is determined by seniority. An individual may "bump" into a position for which they have the skill and ability to perform the job provided that the position is at the same or lesser wage rate and is currently occupied by an Employee with lesser seniority. In order to bump into a position, the individual must require no training beyond familiarization and orientation.

11.05 a) Those who bump into another position to avoid layoff retain the right to be recalled to their original position for twelve (12) months if that position becomes available to be re-filled. If the individual refuses a recall to their original position, they will remain in their new position and lose all right to be recalled to their original position.

b) If an individual refuses recall to their original position, the position shall be offered to those Employees on layoff, in order of seniority, provided they have the skill and ability to perform the available work.

c) An individual who bumps into another position to avoid layoff, or an individual who is laid off, may refuse recall to any classification without losing their right to recall. However, any individual who refuses recall to their original position shall immediately lose all recall rights. It is clearly understood that the right to refuse recall applies only under these circumstances and does not otherwise affect the Employer's right to transfer Employees.

d) The recall rights referred to herein shall cease twelve (12) months from the date of layoff, or upon completion of the recall of all Employees on layoff, whichever occurs first.

e) When any position cannot be filled through the recall procedure, it shall be posted and filled in the usual manner, notwithstanding that there may still be Employees on layoff.

11.06 If a probationary Employee is occupying a position no one else in the Bargaining Unit who will be laid off or bumped is qualified to perform, the probationary Employee shall not be laid off, notwithstanding Article 11.01.

11.07 All affected Employees shall be given two (2) weeks' notice of layoff.

- 11.08 The Employer shall notify the Employee of a recall opportunity by registered mail, addressed to the last address on record with the Employer (which notification shall be deemed to be received on the second day following the date of mailing). The notification shall state the job to which the Employee is eligible to be recalled and the date and time at which the Employee shall report for work. The Employee is solely responsible their proper address being on record with the Employer.
- 11.09 a) Employees on layoff shall be given preference for temporary vacancies which are expected to exceed ten (10) working days. An Employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on layoff.
- a) No full-time or part-time Employee within the bargaining unit shall be laid off by reason of their duties being assigned to a Management or non-union Employee.
- 11.10 If more than 20% of unionized Employees are laid off, volunteers or students cannot be used for any purpose unless mutually agreed upon by the Union and the Employer and confirmed in writing.

ARTICLE XII - HOURS OF WORK

- 12.01 The following is intended to define the normal hours of work and shall not be construed as a guarantee of hours of work per day, or per week or of days of work per week.
- 12.02 The normal work period shall not normally exceed twenty-four (24) hours per week when averaged over a four (4) calendar week period. The normal workday shall not normally exceed eight (8) hours per day, excluding a thirty (30) minute or a sixty (60) minute unpaid meal period. Notwithstanding the above, this Section shall not apply to those Employees temporarily replacing a full-time Employee.
- 12.03 The schedule for hours of work for permanent part-time Employees shall be posted a minimum of two (2) weeks in advance of the scheduled work period and once posted any changes made without the required two (2) weeks' notice shall be mutually agreed to by the Employee affected and their Manager or designate.
- 12.04 Casual Employees will be scheduled according to the needs of the library, after full-time hours and part-time hours have been allotted. Casual Employees shall not have their shift changed within a forty-eight (48) hour period of the scheduled start time. The Employer shall notify the Employee via phone call of any change in shift. Section 12.03 does not apply to casual staff, i.e., those whose hours of work are less than twenty (20) per week when averaged over a four (4) calendar week period; students in regular attendance at an educational institution or employed during school vacation periods. The Employer will make best efforts to put schedules out at least two (2) weeks in advance.
- 12.05 Employee's requests for working hours within the above shall be accommodated to the extent practical and subject to the Manager's approval.

ARTICLE 3 - MANDATE OF THE J.J.E.C.

- 3.1 The J.J.E.C. shall implement and maintain the Vaughan Public Libraries Gender Neutral Job Evaluation Program by:
- a) Evaluating changed or new jobs using the Job Evaluation Plan.
 - b) Maintaining the integrity of the program.
 - c) Recommending changes to the Job Evaluation Plan, its procedures or methods, as may be deemed necessary from time to time, to the parties.
 - d) Maintaining strict confidentiality of all Committee decisions and proceedings at all times.

ARTICLE 4 - JOB ANALYSIS PROCEDURES AND RATING FOR NEW AND/OR CHANGED JOBS

4.1 The following general procedure shall be used to rate new or changed jobs:

Step 1

A Job Analysis Questionnaire shall be completed by the incumbent(s) and the Supervisor. The completed questionnaire shall be submitted to the J.J.E.C., along with the copy of the current job description. The questionnaire should detail any changes to the job resulting from new or changed circumstances in the job.

Step 2

The job shall be rated, by unanimous decision, based on the job description, in accordance with the Job Evaluation Plan. The Committee shall also use information obtained from the completed questionnaire, interviews with the incumbent(s) and/or Supervisor and, if required, visits to the job site. The Plan evaluates the skill, effort, responsibility and working conditions involved in the job. To minimize errors of personal judgment, each of these factors is sub-divided into factors which provide a standard against which each job is rated to determine its relative worth.

Step 3

When the Committee has completed the rating of each job, the Chief Executive Officer of Vaughan Public Libraries shall assign the grade based on the point weightings currently in use for the Plan. The Chief Executive Officer shall arrange compensation adjustment, if any, and shall inform the Unit Chair of the Union, the Payroll Department and the Supervisor of the results.

4.2 Job ratings serve to:

- a) group jobs having relatively equivalent point values (this is commonly referred to as banding);
- b) provide the basis upon which wage rate relationships between jobs are established;
- c) measure changes in job content;
- d) assign jobs into their proper pay grade in the salary schedule.

4.3 In the application of the Job Evaluation Plan, the following general rules shall apply:

- a) It is the content of the job and not the performance of the incumbent(s) that is being rated;
- b) Jobs are evaluated without regard to existing wage rates;
- c) Jobs are placed at the appropriate degree level in each factor by comparing the specific requirements of the job to the factor definition and the description of each degree level;
- d) The job analysis and rating of each job shall be relative to and consistent with the job descriptions and ratings of all other jobs rated under the Plan;
- e) No interpolation of factor degrees (i.e., mid-points) is permitted.

ARTICLE 5 - MAINTAINING THE JOB EVALUATION PROGRAM

5.1 It is important to maintain accurate job descriptions and job ratings on an ongoing basis. Failure to do so will serve to damage the integrity of the program.

5.2 Whenever there is a substantial change in the duties or responsibilities of a job, or the job description does not reflect the duties and responsibilities of the job, the following procedures shall be followed:

- a) The incumbent(s)/Union or the Supervisor/Employer may request a job evaluation review by completing and submitting a Job Evaluation Reconsideration Form (Appendix A);

- b) Upon receipt of a complete Job Evaluation Reconsideration Form, the Committee shall proceed to gather accurate, up-to-date information on the job. The gathering of information may involve requesting the incumbent(s) and Supervisor to complete an up-to-date job analysis questionnaire, the interviewing of incumbents and/or Supervisors and/or visits to the job site;
- c) Where there is a substantial change in the duties or responsibilities of a job, the Committee shall meet to rate each affected factor of the job. The rating of the job shall determine the pay grade for the job;
- d) All adjustments shall be implemented ninety (90) days after evaluation and following notification of the Board and Union Executive. In the event of a downward adjustment, fifty percent (50%) of the adjustment shall be implemented as above. The remaining fifty percent (50%) of the adjustment shall be implemented at the rate of ten percent (10%) of the adjustment per month over the following five (5) months;

Notwithstanding the above, in the event that a salary adjustment resulting from such evaluation applies to five (5) or more Employees, the implementation schedule shall be discussed and mutually agreed to by the parties.

- e) All compensation and/or pay grade adjustments shall be subject to the requirements and restrictions of the *Ontario Pay Equity Act* and subsequent related legislation.
- f) In any case, the job may not be considered for re-rating if less than twelve (12) months have elapsed since it was last rated.

5.3 Whenever the Employer wishes to establish a new job, the following procedures shall apply:

- a) The Employer shall prepare a draft job description and establish a temporary pay grade for the job based on the draft job description;
- b) The job shall be posted and any person appointed to the job shall be paid the temporary pay grade;
- c) After six (6) months from the appointment of an incumbent to the job, the incumbent(s) and the Supervisor shall complete a Job Analysis Questionnaire which shall be submitted, along with an updated job description, to the J.J.E.C. The Committee shall rate the job according to the procedure set out in Article 5. The pay grade shall be paid to each incumbent effective the date of their appointment to the job.

ARTICLE 6 - APPLYING THE RATIO TO THE SALARY RANGES

- 6.1 The total point allocation shall be used to determine the salary range for the positions.
- 6.2 There shall be an Audit Committee of two (2) persons, one Union and one Management, who are not members or alternates of the J.J.E.C., who shall meet periodically, at least once per calendar year with the Chair of the J.J.E.C. to check the point/grade assignments of all jobs based on the Job Evaluation Plan weightings to ensure accuracy. The Audit Committee members must strictly maintain the confidentiality of the Job Evaluation Plan weightings chart.

ARTICLE 7 - CONCLUSION AND IMPLEMENTATION

- 7.1 These Terms of Reference, including all appendices and the Gender Neutral Job Evaluation Plan, shall be deemed to be included in the Collective Agreement, effective the date of signing of these Terms of Reference.
- 7.2 All unanimous ratings reached by the J.J.E.C., or ordered by an Arbitrator under Article 6, shall be final and binding on all parties, subject to future re-evaluation as provided for herein.
